2. How did you come to faith in Jesus Christ? Have you been baptized? Joined a church before this?
[to be answered during the interview]

3. We understand from Scripture that a follower of Jesus Christ will include a number of disciplines in his/her pattern of life. We all struggle in our attempts, of course, but we aspire to...
- read the Bible regularly
 - pray, following the pattern Jesus gave his disciples, for one self and for other believers
 - worship with other believers regularly
 - give financially to the ministry of the church
 - serve in the congregation as appropriate to your gifts and outside the congregation as to Christ
 - listen to the spiritual leaders of the congregation as they express concern for your spiritual growth and well-being
 - speak of your faith in Christ to others, as the opportunity arises

We enjoy friendships in small groups, large groups, and worship events which encourage us to practice these disciplines. Being a member of a local congregation means that we have found a personal faith in Christ and that we need one another's encouragement to live out these aspirations.
